Event Cancellation cover

Have you ever laid-out money preparing for an event, only to find that the weather conditions mean that the event has to be cancelled; either extremely hot weather has made the ground too hard and dusty to safely run the event or rain has made it unsafe/too wet for spectator or organiser parking.

Lockton, the ACU's insurance broker, in partnership with the ACU, are able to offer quotations for cancellation cover for specified events, due to weather related issues. Cover can be extended to include other risks Foot & Mouth, upon request.

The policy will be underwritten by Convex Insurance UK Ltd, a leading Lloyds insurer.

Cover is available in respect to the net loss suffered by you/your Club, at a limit that you specify e.g. £5,000, £10,000, £25,000, £50,000, following the necessary and unavoidable cancellation, abandonment, curtailment, interruption, postponement, or relocation of the event, for reason beyond your control and the control of the participants.

For a quotation, the Proposal Form should be completed and returned to the following email address:

ACUeventcancellation@lockton.com

A full quotation including draft policy documentation will be provided, for your consideration.

The policy wording and Adverse Weather endorsement are available upon request but should you wish to discuss this further, please send an email to the address above.
